

Fostering Success through Mentoring

Do you find yourself wishing that you had a person to talk with about your plans? Maybe, you need someone to help you with strategizing or simply need words of encouragement. Whatever the case may be, I am here for you because I want you to be successful in your endeavors!

What specifically can I offer you?

- Meetings over the phone or through video chats to discuss your goals and aspirations
- Encouragement throughout your journey
- Resources and connections that I have access to
- Prayer and spiritual support

Empower

It is my hope to uplift and encourage all pre-medical students throughout their journey of applying to medical school. It is an arduous

Strategize

To help create a feasible and successful plan when applying to medical school

Personal Development

To inspire pre-medical students to have a sense of purpose, fulfillment, and passion for medicine

Mentoring with Candicee!

UPLIFT

*As your mentor,
I will...*

- Clarify what you want to accomplish
- Help you to determine the feasibility of your plans
- Help you to set a realistic timeline
- Define strategies for success in applying and matriculating into medical school
- Give you constructive criticism to better aid and challenge you
- Help you to define your personal goals, passions, and purpose
- Will offer prayer and spiritual guidance if asked
- Give you words of encouragement

**STRATEGIZE.
